
Certificate of Approval

This is to certify that the Management System of:

ArcelorMittal Eisenhüttenstadt GmbH

Werkstr. 1, 15890 Eisenhüttenstadt, Germany

has been approved by LRQA to the following standards:

IATF 16949:2016

Approval number(s): IATF 16949 – 0018166-001

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Design and production of hot metal, semi-finished products, hot rolled strip, cold rolled strip and coated coils and sheets.

Paul Graaf

Area Operations Manager, Europe

Issued by: LRQA Limited

Revision/Re-issue date: 18 August 2022

LRQA Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'LRQA'. LRQA assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant LRQA entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.
